I. WRITING (Practice Bank)

These are sample answers only. Accept any clear paragraph that answers the prompt and uses relevant vocabulary/grammar.

A) Guided Composition Prompt 1 — Sample Answer

To live a healthier life, you should eat nutritious food every day and cut down on junk food. You ought to work out regularly because exercise keeps your body strong. You had better get enough sleep at night so you can feel fresh and ready for school. It is also a good idea to take up a sport, such as football or swimming, because sports are fun and social. Finally, you should laugh more and spend time with positive people because laughter can reduce stress and improve your mood.

B) Guided Composition Prompt 2 — Sample Answer

Students can help the environment at school in many simple ways. They should recycle paper, plastic, and bottles instead of throwing them away. They ought to save water by closing taps after using them. Students can also save energy by switching off lights and computers when they are not needed. It is important to keep the school clean and protect the surroundings. If students live near school, they can walk or use public

transport to reduce pollution.

C) Free Composition Prompt 1 — Sample Answer

My ideal home would be a modern house near the sea. It would have a large living room, a comfortable bedroom, a clean kitchen, and a small garden. I would like big windows because they would make the house bright and relaxing. The area would be quiet, safe, and close to shops and sports places. This home would make me feel comfortable because I could rest, study, and spend time with my family there.

D) Free Composition Prompt 2 — Sample Answer

One healthy habit that young people should develop is exercising regularly. Exercise is important because it keeps the body strong and gives people more energy. It can also improve mood and reduce stress after a long school day. Young people can work out, walk, swim, or take up a sport with friends. This habit is useful because it helps people stay healthy and feel confident. If students exercise often, they can build a better daily routine.
